

Berryessa Extension

Milpitas Station

Overview

The Milpitas BART Station is one of two stations that are part of the 10-mile Berryessa Extension, the first phase of the 16-mile BART Silicon Valley extension of the regional BART system. Located at the intersection of Montague Expressway and Capitol Avenue near the Great Mall in Milpitas, the station is the center of the city's Transit Area Specific plan, and will be the BART system's gateway to Silicon Valley, serving as a key local and regional connection to the high-tech, job-rich northwestern areas of Santa Clara County.

What's Next

Track and systems construction	2012-2016
Station campus construction	2014-2018
System testing	2016-2018
Station opens	2018

Station at a Glance

- Projected 20,000 daily passengers in 2030
- Less than 60-minute trip to San Francisco
- Trains arrive every 7 1/2 minutes (Milpitas Station will be served by two BART lines that operate every 15 minutes)
- Ground level concourse, below-ground boarding platforms
- Seamless connection to VTA's Montague Light Rail Station
- Multi-story parking garage next to station
- Convenient private shuttle and "Kiss-and-Ride" loading areas
- VTA bus transit center, providing a connection with local, limited-stop, and express bus services
- On-site bicycle storage room
