

**VTA's BART Silicon Valley Phase II Extension Project
Downtown/Diridon Community Working Group Draft Work Plan**

Subject	Orientation May 12, 2015	June 9, 2015	August 11, 2015	October 13, 2015	December 1, 2015	February 9, 2016	April 12, 2016	June 14, 2016	September 13, 2016	November 15, 2016	February 7, 2017
Introduction to CWG Process (Role, Work Plan)	X										
Overview of Project (Phases I & II status update)	X	X	X	X		X	X	X	X	X	X
Financial Update of BART Phase II (VTA and Ernst & Young to present)	X		X	X			X				
Environmental update	X	X	X	X		X	X	X	X	X	X
City Staff update on Specific Plans associated with Downtown & Diridon station areas (City to present)		X									
Ridership & Modeling (Underlying land use assumptions and how they connect to ridership assumptions, parking demand analysis)		X									
VTA's community engagement process for Phase II including how to give public input		X									
City related projects within BART corridor (developments & connectivity - City to present)			X								
-Access/Connectivity Study											
Economic analysis surrounding BART stations (City to present)			X			X	X				
Envision Project update			X				X				
Intro to Phase II Downtown & Diridon station campuses, features and process				X							
BART system operating and maintenance (BART staff present)				X							
Construction methods (tunneling, portals, construction phasing, cut and cover construction techniques, and temporary and permanent structures, impacts to transit)					X						
VTA related projects within BART corridor						X					
Caltrain electrification (Caltrain staff to present)						X					
Update on High Speed Rail project (HSR staff present and include compatibility underneath Diridon)						X					
Additional Information about Crossover Location						X					
BART's station naming policy						X	X				X
Construction outreach best practices research summary update							X	X			
Process for evaluating the proposed east and west options for the Downtown station							X				X
Environmental process (Draft SEIS/SEIR, public meetings, how to comment)							X			X	
Joint Development								X			
Construction Methodology								X			
FTA Process - New Starts Funding									X		
SPUR and the BART Corridor (SPUR to present)									X		
Lessons Learned from Phase I									X		
Impact of Transit on Station Area Communities (BART to present)									X		
Promotion of VTA Outreach efforts									X		
Update on Diridon Station Options											X
Diridon area planning & associated projects (City to present)											X
Design and aesthetics of the BART structures such as vents, exits, etc.											X
VTA contracting (SBE/DBE outreach and local business outreach and goals)											X
CWG Next Steps											X
Recap of Election											X
Summary of environmental comments received in Draft SEIS/SEIR											X
Construction Outreach Plan (lessons learned from Phase I)											X
Cut and Cover Construction Technique Options											X
Multimodal access planning to Downtown & Diridon stations											X
Parking Management in the Diridon Specific Plan (City to present)											X
