

Caltrain Corridor Capacity Improvements Program Guidelines

Definition from Resolution No. 2016.06.17

To fund Caltrain corridor capacity improvements and increased service in Santa Clara County in order to ease highway congestion, including: increased service to Morgan Hill and Gilroy, station improvements, level boarding, extended platforms and service enhancements.

Total Funding

- \$314 million in 2017 dollars.

Distribution

- Funds for increased service to Morgan Hill and Gilroy will be distributed on a regular basis.
- Funds for Caltrain Modernization 2.0 will be distributed to Caltrain as Santa Clara County's contribution for costs associated with station improvements, level boarding, extended platforms and service enhancements.

Implementation

- VTA and Caltrain staff will determine operating and capital costs associated with increased service to Morgan Hill and Gilroy.
- Improvement projects will be identified by VTA and Caltrain staff after completion of Peninsula Corridor Electrification Project (PCEP) and CA High Speed Rail blended service operations and maintenance needs/issues have been identified and remedies finalized.
- Should projects (including station improvements) arise prior to the completion of the PCEP that VTA believes should move forward, VTA will work with Caltrain to develop and recommend an early implementation schedule to the VTA Board of Directors.

Criteria

- Current service schedule to Morgan Hill and Gilroy will be reevaluated prior to addition of increased service.

Requirements

- Partner JPB contributions for station improvements, level boarding, extended platforms and service enhancements for Caltrain Modernization 2.0 must be secured prior to allocation of Santa Clara County's contribution.
- VTA Compete Streets reporting requirements will be required for capital projects.
- All collateral material will be required to display a 2016 Measure B logo.
