October 2018
# Table of Contents

Chapter 1  Introduction ............................................................... 1

Chapter 2  Changes to the Project, Changes in Circumstances, and Introduction of New Information ............................................................... 7

Chapter 3  Environmental Setting, Impacts, and Mitigation 27

Chapter 4  Other CEQA Considerations................................. 127

Chapter 5  Conclusion ................................................................. 129

Chapter 6  References................................................................. 131

Chapter 7  Attachments ................................................................. 135

---

Attachment A:  Updated List of Special-Status Species

Attachment B:  Department of Parks and Recreation (DPR) Forms

Attachment C:  Cultural Resources Memorandum

Attachment D:  Updated Environmental Data Resources (EDR) Radius Map Report
List of Tables

2-1 Rail Crossings for the Approved Project and the Proposed Changes to the Approved Project ....................................................... 10
2-2 Eastridge Park-and-Ride Lot Anticipated Parking Demand for the Approved Project and the Proposed Changes (Existing [2017] Year, Year 2023, Year 2035, and Year 2043) .................................................. 16
3.4-1 Community Facilities Near the Capitol Expressway Corridor .......................................................... 43
3.9-1 Hazardous Materials Sites within 1/8-mile of the Location of the Proposed Changes to the Approved Project ........................................... 63
3.14-1 Existing (2017) Population, Employment, and Housing Characteristics for the City of San Jose and the Study Area ........................................... 91
3.14-2 Existing (2017) Transit Dependency Characteristics for the City of San Jose and the Study Area ........................................... 92
3.14-3 Preliminary Property Right-of-Way Requirements for the Proposed Changes ........................................... 93

List of Figures

1-1 Proposed Changes to Capitol Expressway Light Rail Project .......................................................... 2
2-1 Previously Approved Capitol Expressway Light Rail Project .......................................................... 8
2-2 Typical Bicycle Slot .......................................................... 13
2-3 Proposed Changes to the Eastridge Station .......................................................... 15
2-4 Proposed Changes to the Story Station .......................................................... 17
2-5 Proposed Changes to Electrical Transmission Facilities .......................................................... 19
2-6 Thompson Creek Trail .......................................................... 22
3.3-1 Biological Habitats in the Vicinity of the Proposed Changes .......................................................... 35
3.5-1 1091–1093 S. Capitol Avenue and 1148 S. Capitol Avenue .......................................................... 48
3.14-1 Right-of-Way Requirements for the Proposed Changes .......................................................... 98
3.16-1 Existing View and Simulation – Eastridge Station Looking North .......................................................... 120
3.16-2 Existing View and Simulation – Ocala Avenue Intersection Looking Southeast .......................................................... 121
3.16-3 Existing View and Simulation – Ocala Avenue Looking Northwest .......................................................... 122
