May 2019
Table of Contents

Chapter 1  Introduction ................................................................. 1

Chapter 2  Changes to the Project, Changes in Circumstances, and Introduction of New Information .......................... 7

Chapter 3  Environmental Setting, Impacts, and Mitigation 29

Chapter 4  Other CEQA Considerations............................................ 135

Chapter 5  Conclusion .................................................................. 137

Chapter 6  References.................................................................... 139

Chapter 7  Attachments ................................................................. 143

Attachment A:  Updated List of Special-Status Species
Attachment B:  Department of Parks and Recreation (DPR) Forms
Attachment C:  Cultural Resources Memorandum
Attachment D:  Updated Environmental Data Resources (EDR) Radius Map Report

The Final Second Supplemental EIR is divided into the following three volumes:

- **Volume I**: Response to Comments (including the Revised Draft SEIR-2) as well as Attachment A (Notice of Preparation and Public Scoping with Comments Received), Attachment B (Detailed Description of the Proposed Changes), and Attachment C (Detailed Plans for the Proposed Changes)
• **Volume II:** Revised Draft SEIR-2 technical materials including Attachment D (Supplemental Transportation Analysis), Attachment E (Noise and Vibration Assessment), and Attachment F (Air Quality Modeling Assumptions)

• **Volume III:** Attachment G (Second Subsequent IS and all attachments)

### List of Tables

2-1  Rail Crossings for the Approved Project and the Proposed Changes to the Approved Project ......................................................... 10
2-2  Eastridge Park-and-Ride Lot Anticipated Parking Demand for the Approved Project and the Proposed Changes (Existing [2017] Year, Year 2023, Year 2035, and Year 2043) .......................................................... 16
3.4-1  Community Facilities Near the Capitol Expressway Corridor .......................................................... 45
3.9-1  Hazardous Materials Sites within 1/8-mile of the Location of the Proposed Changes to the Approved Project .......................................................... 67
3.14-1  Existing (2017) Population, Employment, and Housing Characteristics for the City of San Jose and the Study Area .......................................................... 97
3.14-2  Existing (2017) Transit Dependency Characteristics for the City of San Jose and the Study Area .......................................................... 98
3.14-3  Preliminary Property Right-of-Way Requirements for the Proposed Changes ............... 99

### List of Figures

1-1  Proposed Changes to Capitol Expressway Light Rail Project ................................. 2
2-1  Previously Approved Capitol Expressway Light Rail Project ........................................ 8
2-2  Typical Bicycle Slot ................................................................................................................. 13
2-3  Proposed Changes to the Eastridge Station ........................................................................ 15
2-4  Proposed Changes to the Story Station ................................................................................ 17
2-5  Proposed Changes to Electrical Transmission Facilities .................................................. 19
2-6  Thompson Creek Trail ......................................................................................................... 22
3.3-1  Biological Habitats in the Vicinity of the Proposed Changes ........................................ 37
3.5-1  1091–1093 S. Capitol Avenue and 1148 S. Capitol Avenue ............................................. 50
3.14-1  Right-of-Way Requirements for the Proposed Changes .................................................. 104
3.16-1  Existing View and Simulation – Eastridge Station Looking North ............................ 127
3.16-2  Existing View and Simulation – Ocala Avenue Intersection Looking Southeast ........ 128
3.16-3  Existing View and Simulation – Ocala Avenue Looking Northwest .......................... 129
