

Dear Business Owner:

Thank you for your interest in participating in the Santa Clara Valley Transportation Authority's (VTA) Small Business Enterprise (SBE) Program. The SBE Program is a race and gender-neutral program designed to increase the availability of contracting opportunities for small businesses on VTA's state or locally funded contracts.

To be eligible for VTA's SBE program, your firm must meet **<u>BOTH</u>** of the following requirements:

- Your firm, including affiliates, must be a small business as defined by Small Business Administration (SBA) regulations, 13 CFR Part 121, under the North American Industrial Classification System (NAICS). The specific annual gross receipts total will vary depending on the type of business and/or the type of services rendered. Applicants should verify the appropriate maximum gross receipts for their type of business. Current SBA size standards can be found at: http://www.sba.gov/content/small-business-size-standards. Click on pdf file or excel file in the text.
- 2. Even if your firm passes the above requirement, it cannot exceed, including affiliates, a maximum of \$22.41 million in combined average annual gross receipts over the past three years. Some SBA size standards are higher than \$22.41 million. Example: although a general contractor meets the SBA size standard of \$28 million in average annual gross receipts, it could exceed the \$22.41 million average and will not be eligible for VTA's SBE program.

Other SBE Certification Criteria (including above two requirements)

- SBE firm owners are not bound by ethnicity, race or gender requirements. The SBE program is a race and gender neutral program. Information on the ethnicity and gender of the firm's owners is for informational purposes only.
- The firm's management and daily business operations must be controlled by individuals who are citizens or lawfully admitted permanent residents of the United States.
- A firm certified as a Disadvantaged Business Enterprise (DBE) under Title 49 CFR Part 26 of the U.S. Department of Transportation qualifies as an SBE and does not need to obtain further SBE certification. If you believe your firm may qualify as a DBE and wish to be certified as such, please go to this website for more information <u>http://www.dot.ca.gov/hq/bep/business\_forms.htm</u>.

Please answer all questions on the application – do not leave any questions blank. If a question is not applicable to your firm, insert N/A in the space provided. It is important that you disclose all other businesses in which your firm, your owners, their immediate relatives, or key employees may be involved. The application must be signed by <u>ALL</u> owners. <u>Incomplete applications</u> (including supporting documentation) will be delayed in processing and/or returned to you.
