

**Alum Rock/Santa Clara Bus Rapid Transit Project**  
**Westbound Side of Alum Rock Ave Between HWY 101 and I-680**  
**Construction NOTICE**

**October 19, 2016**

**Para información en español llame a Sam al 707-978-0125**

The following will be in effect on (Saturday and Sunday) October 22 and 23, 2016 (*weather and conditions permitting*).

**Westbound side of Alum Rock Avenue between HWY 101 and I-680**

Apply a new slurry seal on westbound lanes of Alum Rock Ave from HWY 101 to I-680. For all activities on Alum Rock Avenue, anticipate intermittent temporary lane closures between 7:00 a.m – 5:00 p.m.

What	<p><b>Apply a new slurry seal on westbound lanes of Alum Rock Ave from HWY 101 to I-680.</b> Slurry seal forms a long-wearing, rock hard surface that provides years of use for both old and new roadways.</p> <p>Slurry seal is an asphalt slurry mixture made from closely graded fine aggregate, emulsified asphalt and water, all carefully calibrated and mixed to form a mortar-like compound.</p>
When	<ul style="list-style-type: none"> <li>• Saturday and Sunday - October 22 and 23</li> <li>• From 7:00 am to 5:00 pm <ul style="list-style-type: none"> <li>○ <b>Saturday the contractor will be working on the lane closest to the sidewalk. The work will go from HWY 101 to I-680 on Saturday. Driveways will be impacted up to 30 minutes closed.</b></li> <li>○ Sunday the contractor will be working on the lane closest to the median. The work will go from I680 to HWY 101 on Sunday.</li> </ul> </li> </ul>
Where	<ul style="list-style-type: none"> <li>• Westbound lanes of Alum Rock Ave. from HWY 101 to I-680</li> </ul>
